

Questions about our Faith Formation Program???

- All families must be **registered in the parish** in order to take part in Faith Formation.
- The program is consecutive, just like school, moving from one grade to another and begins in FIRST GRADE. Attendance at Sunday Mass is part of the program for all students.
- The first 5 grades are considered the **Elementary** level covering preparation for First Communion (2 years), Reconciliation, Bible stories and the basics of Catholic teaching. The second phase moves the students up into the **Middle school** program which offers a more contemporary approach to learning with an experience of how to live our Faith in today's world. It is in this phase that Confirmation preparation (2+ years) takes place covering grades 6, 7 & 8. Beginning in 6th grade, students belong to the parish **Youth group** as another vehicle of belonging to the parish community on a social level.
- Families are expected to reinforce in their homes what their young people are learning, as well as attending meetings throughout the academic year.
- Students who are out of sequence with their formation will be required to attend catch up programs.
- Students who have special learning needs are always welcomed in Faith formation. Adaptive sessions are provided on an as needed basis.
- We are limited on class space because the building is not equipped with classroom space. Therefore, we do not have a large variety of class time/day options to offer. Classes meet usually from October through late April for one hour, fifteen minutes per session on Monday, Tuesday and Thursday.
- Registration for new families will take place Wednesday, June 6th at 7 PM, with a deadline to register of July 2nd.
